

# The Edmund Rice Bursary Programme 2025

Welcome to our Edmund Rice bursary programme.

This exciting initiative offers you a unique opportunity to study at one of Ireland's leading post-primary schools, starting September 2025.

These bursaries are intended by the donors specifically for those who could not otherwise afford to study at Presentation Brothers College.

If your son has the talent, the drive and the initiative to study successfully at 'PRES' but are being held back by your personal financial circumstances, one of these scholarships could be for you.

## What do the Edmund Rice bursaries provide?

The scholarships can be for reduced fees and for the full six year cycle. Bursaries are subject to review during the school cycle.

## How do I qualify for the Edmund Rice bursary?

You will have to be committed to the ethos and ideals of Presentation Brothers College and will need to show that attendance at the school will be of benefit to your sons' holistic development. You will also have to demonstrate clear evidence of financial need in order to qualify for a scholarship. We have established a special Review Committee to decide on who will be awarded these scholarships. A short list of applicants will be interviewed by the committee, who will look for documentary and/or written evidence to support financial need.

## How do I apply?

You can only apply, by completing the special application form and in no more than 300 words tell us why you would like your son to study at 'PRES' and why you need a scholarship to be able to study here.

Your Primary School Principal will be contacted to provide a reference.

## What's the Deadline?

Applications must be received by 11th September 2024. Interviews will take place during September 2024 for the 2025 1st Year intake.
