Payment of Fees Schedule

If your son is offered a place : a non refundable deposit must be paid in October to secure his place for the following September. This deposit is part payment of the first year fee.

We offer 3 payment options:

1. Fees may be paid in full in September.
2. Fees may be paid in two equal instalments – one in September & one in January.
3. Fees may be paid by direct debit, (6 payments from Oct to March incl.).

It is a requirement that school fees are paid when due.

Please see school policy, (“A pupil will not be entitled to attend the college if fees are in arrears.”)
