

TY Students – Win a trip to the European Parliament and meet your local MEP Seán Kelly!

Have you an interest in the European Union or would you like to get the chance to learn more? This November, I will be offering 10 Transition Year students the chance to visit me in the European Parliament in Brussels and learn about my role as their MEP for Ireland South, and indeed the work of the EU institutions. To be in with a chance of being selected for the trip, all you have to do is write a short, one page (500 words) piece entitled:

“How Ireland can play its part in the global fight against Climate Change”

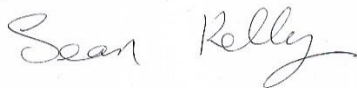

I will be looking for students who can both express interest in the workings of the EU and global institutions, and those who show a real desire to learn more about Ireland’s place in the EU and globally.

Entries can be submitted via email to sean.kelly.competition@gmail.com. **The deadline for the applications is the 21st September 2018.** All students will be notified by the 5th October 2018.

The trip will take place from the 18 - 20 November 2018. Selected students will be provided with the return flight from Dublin to Brussels, accommodation and meals and will be accompanied by 2 group leaders.

I look forward to reading your entries and indeed hearing all of your thoughts on this issue.
Go n-éirí an t-ádh libh go léir!

Le gach dea-ghuí,

Seán Kelly MEP
